### **Homework Guidelines**

Homework assignments are part of the general schooling process. They provide an opportunity for the student to: 1. Reinforce a lesson or concept. 2. Perform on an individualized basis. 3. Establish and develop solid work habits. It is recommended that parents: 1. Encourage the student to put forth his/her best effort. 2. Help the student budget his/her time in relation to other student and/or family activities. 3. Be aware of any particular difficulties that should be brought to the attention of the teacher.

In general, overnight assignments will vary in length of time according to the subject and grade level of the individual student. Long-term individualized assignments and book reports will give students the opportunity to manage their time in relation to their routine assignments and activities. Homework is expected to be turned in on the day it is due. **Any missed assignment will result in a (0) for the day.** Parents will be notified if a child consistently fails to accomplish homework assignments.

The following are suggested times for daily assignments:

***BELIEVE. ACHIEVE. SUCCEED.***  
***80 DAVID STREET SOUTH RIVER, NJ 08882***  
***732-743-9670 STMARKACADEMY.COM***

Pre-K and Kindergarten	5-20 minutes
Grades 1 & 2	20-30 minutes
Grades 3 – 4	30-50 minutes
Grade 5 and up	50-75 minutes

Assignment books (planners) are required for all students in grades K and up. Students should be provided with a quiet atmosphere free from distractions while completing their homework. Parents/Guardians should not complete written homework or projects. Teachers are not giving “study guides”, and no student is to be “re-tested” if they receive a failing grade on a subject assessment.

### **Promotion/Retention**

In Grades K and up promotion will be primarily on the basis of ability to do the work with consideration of maturity and social development. Eighth grade graduation is dependent upon a student’s successful completion of the requirements of study prescribed by St. Mark Christian Academy and the State of New Jersey, Department of Education. Retention of students in Grades 4 and up is considered when a student fails two or more major subjects (Math, Language Arts, Social Studies, Science, Religion) for the year. Retention of students in grades 1-3 is dependent upon achievement in Language Arts and Math. Consultation about retention among teachers, administration, and parents will take place during the third marking period. Follow-up - teacher/parent conferences to evaluate academic progress of the student should be held throughout the year.

### **ALLERGY POLICY (LIFE-THREATENING)**

In order to minimize the incidence of life-threatening allergic reactions, St. Mark Christian Academy will maintain a systemwide procedure for addressing life-threatening allergic reactions and maintain an Emergency Health Care Plan (EHCP) for any student whose parent/guardian and physician have informed the school in writing that the student has a potentially life-threatening allergy.

**Policy Procedures:** In order to minimize the incidence of life-threatening allergic reactions, St. Mark Christian Academy will: Provide training and education for all employees. In conjunction with the student’s parent/guardian and primary care provider and/or allergist, maintain an Emergency Health Care Plan (EHCP) for any student identified with a potential life-threatening allergy.

### **General School Procedures:**

At all levels, the school nurse, in conjunction with the student’s parent/guardian and the primary care provider/allergist will prepare an Emergency Health Care Plan (EHCP) for any student with a life-threatening allergy. This EHCP will be updated annually and reviewed with the school nurse, the student’s parent/guardian, and the primary care provider and/or the student’s

allergist. The EHCP will include the student's name, the life-threatening allergen(s), the warning signs and symptoms, what to do in case of an emergency, and phone numbers of parents, doctors, and allergists. The EHCP will be available in the nurse's office. The school nurse will review the student's EHCP with the parent annually, or in the event there are any changes in the child's medical condition, classroom, or action plan.

The school nurse will be responsible for notifying the classroom teachers about the nature of the life-threatening allergies faced by students. This notification will include an explanation of the severity of the health threat, a description of the signs and symptoms to be aware of and what allergen(s) (food, materials, etc.) to avoid. If the parent is in agreement, information about the child's life-threatening allergy will be distributed to the designated staff members. Staff will be reminded that all medical information is confidential and shared on a need to know basis. Teachers are responsible for keeping an updated substitute folder containing their student's EHCPs. Epi-Pens (belonging to the school and those prescribed to the students) will be stored in the nurse's office. At the beginning of each school year or upon adding a staff position, all staff (including substitutes) will be informed by the school nurse of the locations of the EpiPen. With parental permission, students are allowed and encouraged to carry their EpiPen on their person as permitted in the medication policy. Employee Training and Education Initial employee training and education will include (but not be limited to): A description/definition of severe allergies and a discussion of the most common food, medication, latex, and stinging insect allergies. The signs and symptoms of anaphylaxis, and the correct use of an epinephrine auto-injector (Epi-Pen). Specific steps to follow in the event of an emergency. Medical response – Dial 911 – location of emergency EpiPen. Classroom Teachers must be familiar with the EHCP (Emergency Health Care Plan) for students in their classes and respond to emergencies as per the emergency protocol documented in the EHCP. In the event of a suspected allergic reaction (where there is no known allergic history), the school nurse will be called and the school's Emergency Response Plan activated. The emergency medical services will be called immediately. A parent or guardian of a student with food allergies is responsible for providing all food for his/her own child. Sharing or trading food in the classroom or cafeteria will be prohibited. Proper hand cleaning techniques will be taught and encouraged before and after the handling/consumption of food.

### **School Field Trips**

The school nurse will recommend to the Administration the appropriateness of each field trip and consideration of safety of the student with life-threatening allergies. Protocols for field trips will include timely notification to the nurse. Medications including an Epi-Pen and a copy of the student's Emergency Health Care Plan must accompany the student. A cell phone or other communication device must be available on the trip for emergency calls and will be most likely in the possession of the responsible teacher or staff member. In the absence of accompanying parents/guardian or nurse, another trained individual will be assigned the task of watching out for the student's welfare and for handling any emergency. The adult carrying the Epi-Pen will be identified and introduced to the student as well as the other chaperones.

## **ASBESTOS HAZARD EMERGENCY RESPONSE ACT**

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) and Federal Regulation 40 CFR Part 763, we are required to notify you that an Asbestos Management Plan (AMP) is currently in place. The AMP file contains all necessary documents ensuring compliance, covering activities such as periodic surveillance and a 3-year re-inspection. The AMP file is available for your review at any time. It is located in the St. Mark Christian Academy main office. The Designated person for all asbestos related issues for St. Mark is Ms. Theresa Pasqua, (Principal).

## **ATHLETICS**

St. Mark Christian Academy will establish an Athletic Association in the Fall of 2022. It will conduct and organize adult-supervised programs of sports and activities for SMCA. Its objective is to impart to our youth the ideals of honesty, loyalty, responsibility, courage, good sportsmanship, and respect for authority, as well as enrich their lives as they grow into happy, healthy, young adults.

### **Requirements for Participation in Interscholastic Sports**

1. Physical examinations no more than 364 days prior to trying out for any sport.
2. Completion of:
  - a. an SMCA medical form not older than 364 days on file with the School Nurse
  - b. Parental questionnaire
  - c. Permission form
  - d. Emergency information form
  - e. Parent Code of Conduct
3. The approval of the school nurse.
4. Each student is responsible for maintaining academic standards and acceptable conduct levels at all times. 5. A student must attend school for a period of 4 hours to participate in an extracurricular activity on the same day. Certain exceptions, (e.g. funeral, doctor's appointment, etc.) can be made by the Administration if a student presents a note at least one day in advance requesting permission to participate. No one will be allowed to participate if an early dismissal is necessary due to an illness or injury.
6. A child must be able to participate in Physical Education class in order to be eligible to try-out and/or participate in any sport, regardless of a note from a physician indicating otherwise.

### **Parent Code of Conduct**

1. We will encourage, not pressure, our child to participate in sports.

***BELIEVE. ACHIEVE. SUCCEED.***  
***80 DAVID STREET SOUTH RIVER, NJ 08882***  
***732-743-9670 STMARKACADEMY.COM***

2. We will remember that children participate to have fun and that the fame is for the children, not the adults.
3. We will inform the coach of any physical disability or ailment that may affect the safety of our child or the safety of others. We will not have our child return to play unless we have written clearance from a physician.
4. We will respect the coaches and officials and their authority during games. We will not question, discuss, or confront coaches or officials at the game field. We will wait 24 hours before confronting a coach and will take time to speak with the coach(es) at an agreed upon time and place.
5. We will refrain from the use of tobacco and alcohol at all sporting events. 6. We will abide by these rules and guidelines so long as we are members of the St. Mark Christian Academy School or Athletics Program. We also agree that if we fail to abide by the aforementioned rules and guidelines, or participate in any other conduct that is counter to the goals and values set forth by the SMCA, that our actions will be subject to review by the School Administration and may result in one or more of the following actions:
  - a. Verbal warning
  - b. Written warning
  - c. Parental game suspension with written documents of incident kept on file by the organization involved.

## ATTENDANCE

Prompt, regular attendance is required by law and is absolutely essential to academic success. The parent/guardian is expected to foster these good habits in the student, both for the benefit of the student's current academic achievement and to encourage mature adult behavior in the future.

If a student is unable to attend school, parents/guardians must call the nurse's office or the main office before 9:30 A.M. The parent/guardian should give the student's name, homeroom teacher's name, and reason for absence. If a parent/guardian forgets to call, the school will call the home to confirm the student's absence. **A student who has been absent from school 2 days or longer, must, upon returning, present a written excuse, signed by the parent/guardian, stating the reason for the absence and the exact dates of the absence.** Failure to do so will result in a call home by the school nurse. If the child is diagnosed as having a contagious disease, it is to be reported immediately to the office and a doctor's note must be sent with the child upon returning to school. Children should not be sent to school if ill (fever of 100F, vomiting, diarrhea, unidentified rash) before they leave home. Children are only to be sent back to school 24 hours after the fever has broken and the symptoms have ceased (without the help of medication). Any student who leaves school before 11:00 A.M. for any reason and does not return, will be marked as a full-day absence. Frequent absences for no apparent reason may result in the nurse calling the Truant Officer. These absences may cause a child to be retained or not graduate. Please be aware, **all absences are part of the student's permanent record regardless of the reason for the absence.**

### **Lateness**

Lateness is recorded in the office daily. Students who arrive after 8:45 A.M. are considered late. Students arriving after 8:45 am must report to the school office to get a late pass. **Five latenesses in a marking period will result in a detention (either before or after school).**

### **Early dismissal**

Early dismissal from school for medical/personal appointments is discouraged, however, if there is reason a child must leave school early for an appointment or personal reasons, *a note stating the time of dismissal should be presented to the homeroom teacher who will send it to the office. The student will meet the parent/guardian in the school office and record the time of the student's dismissal. If the dismissal is due to a medical appointment, a note from the doctor's office should be given to the homeroom teacher upon returning. Unless it is an emergency, please do not pick up your child(ren) between 2:00 and 2:45 P.M, if a note was not presented to the homeroom teacher in the morning.* This is to minimize frequent calls into classrooms, which interrupt lessons.

### **Vacation**

**Parents/Guardians are strongly discouraged from planning a vacation during the school. A prolonged absence from school is a hindrance to academic progress and will be viewed as an "UNEXCUSED" absence. Teachers will not be expected to plan assignments for the duration of a vacation.** To keep a child academically challenged, reading is always a good alternative to homework. Students will be responsible for any work missed while away from school. Additionally, any student who is absent more than 18 days in a school year, may result in a student being retained and a call to DCF (Division of Children and Families) may be made since it is required by statute. Absences due to vacations are considered truanancies.

### **Illness or Injury**

Should a student be injured or become ill, the parents/guardians will be contacted. No student will be permitted to go home before this contact is made. If parents/guardians cannot be reached and the illness or injury is serious enough to require medical attention, the principal or nurse will consult the student's emergency care authorization form and arrange for the treatment authorized therein.

### **Delayed Openings/School Closures**

If the opening of school is delayed, the announcement will be made through the PROCARE alert system and also on the front page of the school website [stmarkacademy.com](http://stmarkacademy.com). School is usually delayed for two hours, and all students are to be in class by 10:45 A.M. Children who ride the bus should report to their bus stop two hours later than their usual pick-up time.

### **BEFORE/AFTERCARE PROGRAM**

A Before/After Care program is offered by St. Mark Christian Academy. It is supervised by members of our faculty and members of our community. All have been completely background

***80 DAVID STREET SOUTH RIVER, NJ 08882***  
***732-743-9670 STMARKACADEMY.COM***

**\*Monroe** - location to be determined  
More buses may be added if the need arises

In some cases, transportation may be provided by most municipalities, according to New Jersey Law, providing certain distance requirements are met. Each municipality which provides busing has a "Transportation Coordinator" who arranges the bus routes and schedule. St. Mark will provide parents with busing forms. All parents must complete the busing form (one form per child), regardless of your intention to avail your child(ren) of this form of transportation. These forms must be returned to the school by March 10. This enables the school to submit to individual townships the necessary bus forms in time for the transportation coordinators to determine the need for a bus in that area. If bus forms are not submitted promptly, and a true count cannot be determined by these coordinators, you can and will lose your busing. Not all municipalities provide bus transportation. Some will issue financial reimbursement allotments to parents who provide transportation for their child(ren) throughout the year. A busing form must be completed by parent(s) who qualify for a transportation reimbursement from their local municipality. Some municipalities, because of their geographic size, are not obligated to provide transportation or reimbursement. The following is for your information:

Please visit this site frequently, as it will inform you of early dismissals, meetings, holidays, report card distribution, etc. A yearly calendar of all school holidays will be posted at the beginning of the school year to help you in making plans for family vacations. Adjustments to this calendar are sometimes unavoidable. All changes will be made as early as possible.

## **CELL PHONES**

***BELIEVE. ACHIEVE. SUCCEED.***  
***80 DAVID STREET SOUTH RIVER, NJ 08882***  
***732-743-9670 STMARKACADEMY.COM***

Cell phones must be turned off and put away when the students are in the school building. Teachers are NOT responsible for private property and will not hold phones for students. If a student is seen using a cell phone while in the school building, it will be confiscated for 24 hours and held in the Principal's office. This may be 72 hours if it happens before a weekend. Cell phone guidelines also apply to all smart watches (Apple Watch, FitBit, trackers, etc.)

## **CHEATING AND PLAGIARISM**

Appropriate consequences will be determined by the principal based on the severity of each case

**Cheating** - To cheat is to give or receive assistance with an assignment, or during an exam, which is not authorized by the teacher. Examples include, but are not limited to: • Referring to class materials during a test without the teacher's permission • Copying from another student's paper or allowing another student to copy from your paper • Attempting to secure copies of a test before the test date or securing a copy of a test before a test date • Working together on an assignment without the teacher's approval • Submitting for a grade an assignment that was completed by another person or giving an assignment to another student so that he or she can submit it as his or her own work • Discussing answers during a test

**Plagiarism** To plagiarize is to copy someone else's writing or ideas and to present them as your own. Types of plagiarism include: • Copying word for word without giving credit to the author • Paraphrasing without giving credit to the author • Using language that is almost identical to the language of another author • Plagiarism and cheating directly violate the Code of Honor. The student will receive a zero for the assignment. Additionally, violations may disqualify the student from that marking period's honor roll, if applicable, or from receiving academic achievement awards.

## **CHILD ABUSE**

New Jersey law requires any person who has "reasonable cause to believe that a child has been subjected to child abuse or acts of child abuse to report the same promptly to the Division of Youth and Family Services by telephone or otherwise." See N.J.S.A. 9:6-9.10 et. Seq. Failure to report suspected child abuse is punishable as a disorderly persons' offense. N.J.S.A. 9:68.14. Under law anyone who makes a report shall have immunity from any civil or criminal liability that he may have otherwise incurred. N.J.S.A. 9:6-8.13. The law imposes this obligation on every citizen without exception.

## **CLASSROOM PARTIES**

Teachers are responsible for all classroom parties. St. Mark Christian Academy recognizes the importance of one's birthday, but for safety reasons, parents are never allowed to send in home made food to share with other students. Students may dress down and classroom teachers will provide recognition and additional "perks." If a child's birthday falls on a weekend, holiday, or

during vacation, he/she is free to choose a half-year date or another day of his/her choosing. Parents may not send gifts for students in any class.

## COMMUNICATION WITH TEACHERS

If you have any concerns regarding your child, please contact your child's teacher via school email or PROCARE. Please allow 24-48 hours for the teacher to respond. If you feel you are not satisfied with the response you receive, please contact the principal via email or call the main office.

## DISCIPLINE/CONSEQUENCES/ACCOUNTABILITY

At SMCA we believe that discipline is necessary for the school to run smoothly. Discipline is a way for all students to learn what acceptable behaviors are through positive reinforcement and encouragement. Acceptable behaviors such as respecting oneself and others, proper manners, and treating others with kindness are part of our Christian doctrine. Self discipline, self regulation and successfully dealing with stress are important parts of socio-emotional learning, and an integral part of a holistic approach to educating the whole child. As our mission statement says, *"At St. Mark Christian Academy, we strive to provide an innovative and Christ centered, nurturing environment which encourages curiosity and discovery, and inspires all to reach their highest aspirations to become future leaders and Ambassadors for Christ."* The following system of consequences has been developed to modify, inhibit, or change behaviors, which may interfere with the well-being of each of our students and the learning process.

### Warnings

The following is a list of infractions that would require a teacher's attention. If the infraction is severe, or requires multiple warnings, a (1) detention may be given (2) an email or phone call to a parent, (3) a visit to the principal's office.

1. Purposeful disregard for property
2. Lateness to class
3. Failure to pick up after oneself in the classroom/cafeteria
4. Inappropriate language
5. Inappropriate or unkind behavior toward another student

Serious or multiple infractions and/or disrespectful behavior to another student or faculty member or staff may result in lunch detention. The primary means of discipline is “time out” from playtime. The students will be given ample warning when rules are not being followed.

**Grounds for Dismissal**

Serious offenses such as, but not limited to, theft, assault, cheating, continued violations of St. Mark Christian Academy policies, continued disrespect of school personnel, harassment, intimidation, bullying, setting off a fire alarm, or willful destruction of property may be grounds for dismissal. Any student found in possession of or using alcohol or drugs, on school grounds, on a school sponsored activity, or while in their school uniform off school grounds may be subject to expulsion. The Administration reserves the right to review all incidents on a case-by-case basis. If a student is found in possession of a weapon, or drugs or any drug paraphernalia, legal authorities will be called and the student will be subject to immediate expulsion.

**Withdrawal of a student**

St. Mark Christian Academy recognizes parents as the primary educators of their children. The education of students at our school is a partnership between parents and the school. If, in the opinion of the administration, the partnership is irretrievably broken, the school reserves the right to require the parent to withdraw his or her child. This is a very serious decision that is not made lightly.

**Right to Waive/Deviate from Disciplinary Regulations**

### **Addendum to Acceptable Use of Technology Policy**

The widespread ownership of 'mobile phones and devices' (referred to as mobile devices) among our students requires that school administrators, teachers, students, and parents take steps to ensure that these devices are used responsibly. These devices include, but are not limited to, electronic readers, digital music players, cell phones, netbooks, and tablets. This addendum to our existing Acceptable Use Policy (AUP) is designed to ensure that proper use of mobile devices is clearly identified and addressed, ensuring the educational and safety benefits that mobile devices provide. The AUP for mobile devices also applies to students during school excursions, camps, and extracurricular activities. It is the responsibility of students who bring mobile devices to school to abide by the guidelines outlined in this document. Parents should be aware if their child takes a mobile device to school. Permission to have a mobile device at school while under the school's supervision is contingent on parent/guardian submitting a signed copy of the Acceptable Use of Technology Policy Form and the St. Mark Christian Academy Personally Owned Computing/Network Device Acceptance of Responsibility and Device Use Agreement Permission Form.
